

ITR & World Class Travel will be open for normal business during Holiday Block Leave ticketing. If you would like to avoid the large crowds in our office, please review this ticketing schedule to see when we are NOT ticketing. If you do come in during ticketing, please come up to the counter and let one of the agents know that you are here. You will be our next customer.

Please understand that phone and email communication will be limited during ticketing due to our continued support of Holiday Block Leave. If you leave a voice mail or send an email, we will get back to you as soon as possible.

We appreciate YOUR support during this holiday season as ITR and World Class Travel support the troops and assist in getting them home for the holidays!
